

WEEK 11 OVERVIEW

An aerial photograph of a residential neighborhood that has been completely inundated with floodwater. The water is a murky, brownish-grey color, covering the streets, lawns, and yards of numerous houses. The houses have various roof colors, including grey, brown, and red. Many trees are still standing in the water, their green foliage contrasting with the brown water. A few cars are visible, partially submerged in the floodwater. The overall scene depicts a severe flooding event.
